

# ROBOBOTS

BATTLE YOUR BOT OFF!

Please join us and our RoboBOTS initiative! It's an affordable, worthwhile and FUN way to participate in the education of our high school students while at the same time laying a foundation for training the manufacturing workforce of tomorrow. Numerous area schools are involved.

The competition is April 5th at Meadville Senior High School, where  
***YOUR COMPANY'S COMMITMENT TO PROGRESS AND EDUCATION CAN BE SHOWN!***

## Skills and Knowledge:

- Physical Science Applications • Mathematics • Engineering Drawing
- 3D Solid Modeling • Computer Animation • Electronics
- Fabrication and Materials Processing • Precision Measurement
- Creative Technical Writing/Presentation • Computer Programming

**Promote our area students!  
 Advance our local industry!**

**Good for YOU  
 and Great for Our Community!**
